

## Objective

---

To become associated with a company where I can use my skills and gain further experience while enhancing the company's reputation.

## Technical Skills

---

Operating Systems	Linux (ArchLinux), Windows (7/ 8)
Programming Languages	Python, Javascript, Java, C, C++
Databases	MySQL, MongoDB, Sqlite3
Web Technologies	NodeJS, ReactJS, BackboneJS, JQuery, HTML5, CSS3
Development Environment	Atom, Vim, Sublime-Text
Source Code Management	Git

## Side Projects

---

**Personal Website:** <https://github.com/sunilkumarc/sunilkumarc.github.io>

**Desktop Commentary (Linux Desktop Application):** <https://github.com/sunilkumarc/desktop-commentary>

**Alarm Manager (Linux Desktop Application):** <https://github.com/sunilkumarc/alarm-manager>

**Text To Markdown Converter (Web Application):** <https://github.com/sunilkumarc/text-to-markdown>

**Subtitle Corrector (Linux Command Line Utility):** <https://github.com/sunilkumarc/subtitle-corrector>

**Form Filler (Chrome Extension):** <https://github.com/sunilkumarc/form-filler>

**Mini Twitter (Web Application, currently working on it):** <https://github.com/sunilkumarc/mini-twitter>

## Open Source Contributions

---

**Open Hatch:** <https://github.com/openhatch/oh-mainline>

## Other Projects

---

### A Mobile First Responsive Website:

*Tags: Octopress, HTML5, CSS3, JavaScript*

This website was developed for the Mobile Systems Engineering (MSE) domain in our college.

Source Code: <https://github.com/sunilkumarc/mse-website>

The website has been hosted here: <http://sunilkumarc.in/mse-website/>

### Providing Location and Age Specific Ads Based On the Concept of Map-Reduce:

*Tags: Python, Linux, Apache Hadoop*

The project aimed at showing location and age specific advertisements when users from different locations visit a website. The project was implemented using Apache Hadoop framework on Linux platform.

Source Code: <https://github.com/sunilkumarc/big-data>

### Project Management Portal:

*Tags: HTML, CSS, JavaScript, PHP*

A web based application that acts a repository of projects. Project Management Portal is a piece of software which provides a place where students can refer to all the projects being done in the college.

## Areas of Interest

---

- Web Technologies
- Open Source
- Desktop Application Development
- Mobile Application Development

## Educational Qualification

---

SSLC	GPUC Sorab	93.76%	2008
2 <sup>nd</sup> PUC	DVS Pre University College Shimoga	92.33%	2010
BE, Computer Science & Engineering	PES Institute of Technology	8.64 CGPA	2014

## Work Experience

---

**ISRO (Internship, 3 months, June 2012 – August 2012):** I worked on the Email module of **Online Furniture Indentation Software** which is used by ISRO employees for indenting furniture. The Email module we developed used JavaMail API for sending E-mails.

**SAP Labs India Pvt. Ltd (1 year, June 2014 - ):** I have been working in a team called **Social Intelligence** which is responsible for developing social data harvesting adapters and database APIs. These adapters get data from third party social data providers and then store the data into database tables using the APIs. I have been working on the backend APIs. I have also worked on different Proof of Concepts to harvest data from different data providers.

## Accomplishments

---

- I was a part of the core organizing team for the **Design Innovation Workshop** conducted by **MIT (Massachusetts Institute of Technology) Media Lab** and also **INK Talks** which was organized during the workshop.
- I was the topper of **Sorab taluk(Shimoga District)** in **SSLC Examination 2008** with 94%.
- I've got **Distinction Awards** in all the eight semesters in Engineering.
- I've been a part of the organizing team for **Ayana-12, HashCode-12, Ayana-13** which were 24 hackathons conducted by the PES Open Source Community and Student Nokia Developer.
- I was part of a team which won district level Volley Ball competition.

## Personal Skills

---

- Fast learner
- Very good grasping power
- Good problem solving abilities
- Working under pressure

## Personal Profile

---

Date of Birth	10 June 1993
Address	#1402, Out House, 9 <sup>th</sup> Main, 9 <sup>th</sup> Cross Shrinivasnagar, Bangalore – 560050
Languages Known	English, Hindi, Kannada
Github Profile	<a href="https://github.com/sunilkumarc/">https://github.com/sunilkumarc/</a>
Website	<a href="http://sunilkumarc.in">http://sunilkumarc.in</a>
LinkedIn Profile	<a href="https://in.linkedin.com/in/sunilkumarc/">https://in.linkedin.com/in/sunilkumarc/</a>

I declare that the above information is true and correct to the best of my knowledge and belief.
